

The Agape Community invites college groups to participate in a 5-day rural immersion retreat

**fostering environmental awareness, social activism, personal growth, and sustainable
eating practices.**

MAY 19-23, 2025

Contact Agape to enroll for the full five days or single days and overnight.

You will join the community in their plant-based eating practice throughout the retreat.

**See: www.agapecommunity.org for information about the community...call
413-967-9369 to join with**

Iona University students from New York, as well as Prof. James Robinson of Iona and other colleges to discuss the spiritual crisis of our times and how simple living, organic gardening and community faith practice sustain us in a world of uncertainty and change.

Agape Community, 2062 Greenwich Rd. Hardwick, MA 01082
