

# Summer Internships in Sustainability, Ecology, Nonviolent Spirituality

**The Agape Community, co-founded in 1982**, is a residential, non-profit community/organization, with foundation principles rooted in education in peacemaking, nonviolence, living off the land (sustainability), the practice of meditation and contemplation as well as homesteading.

**Current volunteers, interns and guests at Agape**

## **Summer Internship Advancing Core Mission of the Agape Community**

- **Education in Nonviolence:** Interns at Agape are involved with teaching and discussion of the core principles of nonviolence.
- **Assistance with homesteading, gardening:** planting, harvesting and freezing organic vegetables that feed the community and guests.
- **Wood cutting, and stacking.**
- **Preparation for Agape's Francis Day, the first Saturday of October.**
- **Learn about and participate in vegetarian/vegan cooking.**
- **Assist in the office with promotion of community activities.**
